Dynamic Purchasing System (DPS) for the Supply of
Electric Vehicle Charging Infrastructure and
Associated Services

Date documents can be requested until: 31 Aug 2025 12:00
(UTC +00:00) GMT Standard Time

Description

Oxford City Council seeks to create a Dynamic Purchasing System (DPS) to facilitate the development of EV services within their area and make the DPS available to other authorities for the same purpose. This DPS will comprise a group of EV goods /and service providers and concessionaires who will provide performant, cost effective and customer centric provisions for the whole EV charging journey for residents, businesses, car and fleet clubs and visitors to the area and will be available for use by other Local Authorities as identified in the Contract Notice as requiring similar Goods/Services.

The DPS can be utilised by all other UK Public Sector Bodies, including but not limited to: local authorities, health, police, fire and rescue, education and devolved administrations.
