Part B

Please read the accompanying notes before completing Part B. The notes explain what we mean by soundness and legal compliance. These are questions that we are expected to ask consultees.

Please use a new Part B for each point you are commenting on. Attach all completed forms to Part A.

Q4. Please tell us below why you consider the document to be unsound, not legally compliant or fails to comply with the duty to co-operate. If you do believe the document is sound, legally compliant, or complies with the duty to co-operate you may use the box to explain why.

Policy H3 of the Draft Plan ("Affordable Housing Contributions from new Purpose-Built Student Accommodation") provides that contributions towards affordable housing provision from new student accommodation will not be sought where "the proposal is within an existing or proposed university or college campus site, as defined in the glossary". However the relevant glossary (pages 27 and 28 of the Plan) offer no such definition of what is meant by "an existing or proposed university or college campus site".

Please use an extra sheet if completing a paper copy.

Q5. What change(s) do you consider necessary to make the document sound or legally compliant? Please explain why this change will achieve soundness or legal compliance. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination.) It would be helpful if you could suggest revised wording for the policy or text in question.

The provision of a definition of a "university or college campus site".
