Dear Planning Policy team

I hereby attach our full response to the Council's Regulation 19 consultation on a new Local Plan for Oxford.

To support your analysis of our response, we have endeavoured to complete sections of Council's survey form, particularly where our comments relate to matters of soundness and/or legal compliance. For the avoidance of doubt, the attached letter and its appendices should be regarded as our complete response.

I look forward to discussing our response with you and matters arising later this month.

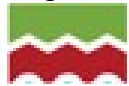

Best wishes

Guy
