Dear planning committee,

Please receive my support for the Friends of Lye Valley submission. [REDACTED]. I see every day how much we need to retain the green spaces we have to support both our physical and mental health. We need places for children to run and play games, for all of us to walk and enjoy nature, even if just on our way to work. Nature is as necessary to us as are vitamins, food and water. Without it we die, as certainly though more slowly than if we are starved of food and water. Please help us all to keep Oxford a livable place, with nature around us, including the Lye Valley Site of Special Scientific Interest.

With best regards,

Dr. Willemina Rietsema, [REDACTED]
