**Subject:** Response on consultation on Draft 2040 Local Plan

Dear Planning Policy team,

Further to my phone call this morning, I am attaching my response to the Consultation on the Draft 2040 local plan. This is because the response covers varies different policy areas and the argument needs to be seen as a whole.

I have completed the relevant sections of the Consultation section of the website with my details and agreement about data use and completed some of the key sections-and have said that I am sending this response separately as an email attachment.

I trust that this will be acceptable but please get back to me with any queries.

Could you please acknowledge receipt of this message?

Best wishes

D.A.Eaude (Dr)
